# Why us?

Montgomery Sky Farm was founded on the pretense of love. The owners met, fell in love with the historic property and decided to restore the land to host their own wedding. Founded in 2018, MSF lays in the valley of turkey creek, in the WNC mountains. The peaceful setting is conveniently located 20 minutes from downtown Asheville, with farm, mountain and pasture views.

Our mission is to create magical experiences and we believe your special day should be just that. Unlike most of the surrounding venues in Asheville, we differ in that we are a working farm. We focus on sustainable farming, rescue & rehabilitation and preservation breeding. Not only does MSF offer an incredible venue for your special day, choosing us is monumental in continuing our efforts. If you select MSF, you are not just a booking on our calendar, you become a part of our farm family.
