Immune Support Remedies

Our two most important immune boosting products are **Formula One Lipids** and **Sol-Immune**. Together they possess the essential fatty acids and the sulfur bearing proteins that, according to 50 years of research by Dr. Joanna Budwig, improve immune function by recharging the dynamic processes of the cells.

Name	Description	Ingredients	size	Wholesale Price	Suggested Retail
Sol-Immune	14 different all-natural, clinically proven ingredients. This is our most powerful product for supporting the immune system, as well as enhancing organ function and helping to maintain proper gut PH.	Active Ingredients: Arabinogalactan (Larix laricina), PetaSol-C® Modified Citrus Pectin, Zeolite (clinoptilolite), Apple Pectin, Bromelain (Ananas comosus), Coenzyme Q10, Vitamin C ester (Ascorbyl Palmitate), Aloe Vera (Active) Inner Leaf (Aloe barbadensis), Spirulina (Blue-green algae), Pet Flora™, Biocore Complete®, Lactoferrin, Zinc Carnosine, Serrazimes®, Vitamin K-2, BioPQQ™ (Pyrroloquinoline Quinone Disodium Salt) Inactive Ingredients: Argentinean Beef Liver	120g	\$35.00	\$69.95
			220g	\$54.48	\$108.95
