

Starter Tips For Your New Salad Spinner

1. Your salad spinner can be used for way more than just salad. Try it on fruits, veggies, berries, pasta, peppers, leafy greens, and more!
2. Wash your salad directly in the bowl and then use the vented lid to pour out excess water before spin drying.
3. When drying, use one hand to hold the bowl firmly on the table while spinning with the other hand.
4. Your Salad Spinner is 100% Dishwasher Safe for quick and easy cleanup.

Frequently Asked Questions

Q. What is the first thing I should do when I receive my Salad Spinner?

A. When you receive the spinner, do me a favor and have a "Big Salad" to take your salad spinner for a test run. That's right, Big Lettuce, Big Carrots, and Tomatoes like Volleyballs!

Ok, maybe not that big. I can never resist working in a Seinfeld reference :) But seriously, try to use your salad spinner right away so you can test it out and get used to it. If you have any questions, concerns, or comments, send us a quick email and we'll be there to help you out.

Q. Do you recommend any specific Salad Recipes?

A. Yes, of course we do! We actually put together a special ebook for you called Salad Essentials For The Busy Parent. Inside you'll find 30 Gourmet Salad Recipes with step by step instructions.

Q. How often should I use my Salad Spinner?

A. You should always wash your vegetables before eating them to remove any pesticides. Your Salad Spinner is built to last, so you should use it every time you wash your greens.

Q. Where Can I Learn More About Cave Tools?

A. Cave Tools is so much more than a brand of Barbecue and Cooking Tools. You can learn more about our Family Values and the Impact we are making in the world every day at www.cavetools.com/pages/vision
