JENNIFER WELCH

Jennifer is a successful interior designer and mother of two but is best-known for her hilarious wit and cynicism, as portrayed on the BravoTV show 'Sweet Home Oklahoma'. Jennifer and Pumps may have one of the most funny and iconic friendships of all time (but obviously we're biased)

ANGIE "PUMPS" SULLIVAN

Angie "Pumps" Sullivan took the world by storm when she hit their television screens. An attorney by trade who moonlights as a failed prankster. Jennifer will tell you that "there's no one like Pumps, and there never will be."

I'VE HAD IT

Join Jennifer Welch and Angie "Pumps" Sullivan and their special guests on "I've Had It" and let this comedic, feel-good podcast expose you to all the things you didn't know you've had it with! Don't ask them to bring a casserole to your event or to celebrate international snow cone day with you because they've HAD IT.

I'VE HAD IT

HOT EPISODES:

I've Had It: Mediocrity is Trending with Amanda Hirsch

Jennifer and Pumps are joined by Amanda Hirsch, host of Not Skinny But Not Fat. Amanda teaches the girls about the influencer phenomenon that is GRWM's. Don't know what that stands for? Neither does Pumps. The three also express their downright hatred of the snail mail Christmas card tradition. PSA: Nobody cares about your matching pajama family photoshoot, all it does it take up space in our trashcans.

I've Had It: Private Eyes, Public Places

Jennifer and Pumps welcome Private Investigators Bari Kroll and Jen Rosant, who impart advice on what to do when you see a red flag in your spouse. Meanwhile, Jennifer has had it with Pharmaceutical commercials.

I've Had It: Public Displays of Assholery with Heather Dubrow

Have you ever accidentally attended a swingers dinner party? Pumps has. On this episode Jennifer and Pumps are joined by RHOC star and Podcast host, Heather Dubrow. They discuss what makes a horrible party guest and how to avoid being one yourself. Also, if you're reading this: Please stop inviting Jennifer to parties, there's nothing less she would rather do.

I've Had It: Self-Yelp Seminar

Jennifer and Pumps are joined by Christine & Xandy Shiefer, the hosts of Beach Too Sandy, Water Too Wet. They dive deep into the world of Yelp and it's many horrendous and hilarious reviews. Jennifer also teaches Pumps a thing or two about what really goes on inside a strip club.
