Step 7: Attach butterfly clips onto the top of Waterfall using the hex tool. Position clips the same distance from each side.

Step 8: Important! This step cannot be reversed. Align waterfall with display into final position. Just below the pipe of the wall make a mark that matches the length of the clip. Cut a small slit into the display wall graphic to allow butterfly clip to be inserted.

Step 9: Loosen butterfly clips using the tool and hex bolts and place clips into the cut slits and tighten hex nut. Do not overtighten!

Step 10: Complete
