

# RING SIZES & ENGRAVING

SIZE	GERMANY	USA
5	60	9.1 (9)
4	58	8.4 (8)
3	56	7.6 (7-)
2	54	6.8 (6-)
1	52	6.1 (6)

The base plate can be engraved individually

## ORDERING PROCESS

1

To check your approximate ring size, print out this document at 100%

2

Cut out the ring sections and order the ring in the size that suits you best

3

We confirm your order and your payment

4

We will then send you our JEWERIA ring sizer for exact measurement

5

You determine your exact ring size and let us know

6

You send us the information about your engraving request and we create a design

7

You confirm the engraving design and the final ring size

8

We start individual manufacturing

9

Before shipping, you will receive pictures of your order
