

10 FACTS ABOUT RING SIZES & ORDERING PROCESS

1

First you need to check your approximate ring size

2

To do this, print out this document at 100% and cut out the ring sections

3

Order the ring in the size that suits you best

4

We confirm your order and your payment

5

We will then send you our JEWERIA ring sizer for exact measurement

6

You determine your exact ring size and let us know

7

You send us the information about your engraving request

8

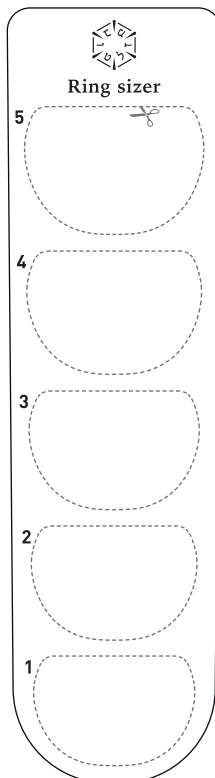

We create a design and coordinate it with you

9

We start individual manufacturing

10

Before shipping, you will receive pictures of your order
