ASAP Security keeps customers “Always Safe & Always Protected” from the bad guys, Vegas Ink and Toner protects ASAP from poor printing choices. Just like customers rely on ASAP to protect their families, homes and businesses, John Perdichizzi and the staff at ASAP Security rely on Vegas Ink and Toner to provide fast, reliable service for all their printer needs so they can stay focused keeping their customers safe.

“My office usually forgets about toner until the printer’s not printing anymore. Vegas Ink and Toner is always there for us with fast, free same day delivery.” – John Perdichizzi.

Not only does John save money with free delivery, but also with compatible cartridges as well.

“The compatible cartridges are a good value. Most of the time they work well, and if they don’t, Vegas Ink and Toner comes back out with a replacement cartridge. Sometimes the compatible cartridges even yield more prints than their OEM counterpart!”

When asked why he would recommend Vegas Ink and Toner John said “There’s no one else better to use!”
