Auto, life, home and business – GLB Insurance is an independent agency providing insurance for everything. Between policy certificates, ID cards, contracts, letters, brochure, etc. the insurance industry has a high print demand. That's why it's crucial GLB Insurance selects the right printer products for the more than 10 printers that keep the company operating smoothly.

After trying out the competition, GLB came to Vegas Ink and Toner and has been a customer ever since. For Geoff Holmes, Principal at GLB Insurance, the decision was easy – it's all about the service!

“The other guys were spotty here and there. Larry and his team have always been on top of it. When we need something, it's done right at a great price.”
