Toys 4 Smiles

Community Partner Since 2011

Larry Goldstein first met Rex Doty of Toys 4 Smiles at a Rotary meeting in 2011. He knew immediately this was a worthy cause in need of assistance. Toys 4 Smiles is a 100% volunteer nonprofit organization based in Southern Nevada. Their mission is simple: to provide a toy to children of all ages in need of a smile while providing a sense of purpose, caring and community to the volunteers of Toys 4 Smiles.

Whether it's through eco-friendly initiatives; creating honest, mutually beneficial business relationships; or supporting local nonprofits like Toys 4 Smiles, Vegas Ink and Toner believes in playing an important role in giving back to the local community.

According to Rex "It's because of partnerships with different companies like Vegas Ink and Toner that we are able to continue our important work. We appreciate when different companies jump in by donating money and operational supplies because it frees up our resources to focus on doing what we do best - making toys that make children smile."

Rex also says he enjoys being a community partner with Vegas Ink and Toner because "It's a local organization. The service, products and staff are all excellent. I believe in dealing with local people rather than big box stores or online retailers because when we all help each other, we all prosper."
