[PARADIGM 2024]

Threadbare roots, meticulously embroidered on washed brown 100% cotton denim, symbolize defiance against rigid norms. The traditional silhouette features a front zipper closure, convertible collar, all-over embroidery, and metal closure cuffs. Washed denim and contrasting Strada Sutairu leather puller tabs add a touch of vintage charm.

C7 THE BROKEN FORMULA

Eye for an Eye

Crystalline surfaces of eyes, fractured and clouded through all-over illusion embroidery, symbolize the lost art of seeing the world with one's perspective. Top stitching, welt pockets, and a concealed horn button closure complete the sophisticated look.
