- 15 - C Vox - SM58

In-ear monitors:

Drummer and guitarist (SL) will provide wireless Sennheiser units. Please provide XLR cables for IEM mixes (2 stereo mixes total). Alternatively, if the house has wireless packs and wants us to use their system, we will gladly use those.

Contact:

blackheartsaintsmusic@gmail.com
737-216-2474 (Mark)

For questions.

Notes for guitar:

Please provide an XLR cable for the pedalboard of the guitarist (SL). Guitar signal will run out of pedalboard direct to FOH.

Cab will be on stage but doesn't have to be mic'd (it's there as a backup & for stage volume).

Please provide all mics and stands (SR vox/bassist will provide his own mic)
