01 Appearance and package list

LONG press to turn on when the lamp is on. Press and hold to turn on when the watch is on.

Power Button

Charging contacts

Heart rate sensing area

You can wear it with or without the watch if made of healthy materials that have undergone aging testing. Please avoid wearing it with a smartwatch when wearing. Please do not wear it for a long time.

Package list: Watch x 1, Charging cable x 1, User manual x 1

02 Charging

Align and fix the charging contacts on back of the watch to the metal contacts of the charging dock, wait for the watch screen to display charging progress.

Precautions:

1. Please use the charging cable in the package, and dry the charging contacts with a soft cloth.
2. Connect the charging cable to a standard USB charger purchased from a reputable manufacturer. Do not use a power adapter without a CCC certification.
3. If the watch cannot power on after being left for a long time, when using a power adapter to charge for about 1 minute to display charging progress.

03 Download and match

Haylou Fun App (hereafter referred to as App) is a must-have app for using the watch. You can manage your watch and experience more functions through the App.

Precautions:

1. Please use the App to download and install the App.
2. Please use the App to download and install the App.
3. Please use the App to download and install the App.

04 Wear

For daily wear, wear the watch about 1 finger distance from the wrist. The device works best when worn on the wrist.

Note: Wearing too loosely may affect data collection by the heart rate sensor.

05 Strap assembly and disassembly

If you need to assemble/disassemble the strap, refer to the diagram.

Note: After assembling the strap, please pull the strap appropriately to ensure that the assembly is successful.

06 More functions
