

Superior
FIREPLACES®
Our name is our promise.

The BRT4000 Series, offered in two distinct models BRT43/45, provides uncompromising style, selection and performance. These premium b-vent radiant (clean-face) designs offer a multi-dimensional refractory log arrangement, dual tube burner and ember bed to provide continuous ambiance without additional heat to the room.

FEATURED BRT4336 with White Stacked Refractory and Split Oak Log Set

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
