## ABOUT JAMIE YOUNG CO.

Eclectic yet elegant, unique yet relatable, non-traditional yet easy to fit with any home - Jamie Young Co. curates a wide range of handcrafted designs inspired by near and far.

For over two decades, the husband and wife team of Jamie Young Jeter and David Jeter have worked together as Jamie Young Co., using their love of art, architecture, and adventure to craft approachable, design-driven pieces.

From coast to coast and around the world, the duo embraces their global travels as well as the comfortable and covetable designs of their home in Southern California. Jamie Young Co. brings both worlds together for a down-to-earth yet distinct approach to design.

In our 2022 Lookbook, we have curated our newest products to highlight. This is only a small portion of the over 1,200 items we have to offer.

*Organically shaped resin objects and lamps with generous curves draw the eye and engage the beholder. Their free form lines, twists, and unique silhouettes add a bold visual interest to any contemporary display.*

## TABLE LAMPS

*Offering a romanticized representation of the queen of the moon in the night sky rising into a tapestry of stars, the Lunar and Moonrise Table Lamps are subtle but spectacular. The perforated patterns on the porcelain bases are created by hand and may vary slightly, ensuring each is an individual work of art.*
