

Chaser 38

Chaser 38 Design features

1. Fluid™ Concrete Finish
Incredibly strong yet relatively lightweight, EcoSmart's concrete products incorporate revolutionary Fluid Concrete Technology. Fluid features a stain and impact-resistant barrier that protects the concrete from environmental weathering – even under extreme conditions and long UV exposure.

2. Decorative Media
Models come with black glass charcoal.

Quick & Easy Installation
With no installation or building works required, simply unpack, put into position, and off you go.

Surround Colours/Finish
Chaser 38 is available in three Fluid Concrete colours.

Natural
(Ethanol)

Graphite
(Ethanol)

Bone
(Gas)

3. Ethanol Burner Colours
Available in Stainless Steel or Black.

4. Articulating Feet
Our Fire Pits and Tables feature 360° height-adjustable articulating feet, so you can achieve a perfectly level and stable model before operating the fireplace.

Triple Fuel Advantage
Choose between plumbed natural gas, readily available propane, or our eco-friendly bioethanol fuel system. We make it easy for you to achieve exactly what you want, for exactly where you want it.

5. Fire Screen
Designed to accommodate two different glass fire screens depending on where the appliance will be positioned:

- Raised Circular* - if placed within a sofa configuration.
- Recessed Square* - if placed in the centre of a space

*Minimum clearances to flammables apply.

Fire Screens must enforce minimum clearances at all times. Choose your screen according to where the model will be placed and updated if relocated.

Global Compliance
These models comply with existing standards in the USA, Europe, UK and Australia. O-TL listed to UL 1370, EN 16647 BSI Certified and ACCC Safety Mandate compliant.
