

# SPRING/SUMMER 2021

This season, as we wait for formal wear events to make a long awaited comeback, we have pulled together a range of mood boards for you to immerse yourself in and feel inspired by. From Weddings to Casino Nights, we hope these will contribute to your vision as we prepare for post Covid life.

You will also discover an introduction to our new Retail Bundles. These were created in answer to the most popular question we are asked by our Partners. 'What sells?'

All our retail bundles can be found on our website [www.epwholesale.co.uk](http://www.epwholesale.co.uk) and contain styles that have performed well.
