We are thrilled to celebrate 75 years of KinderMats, a legacy of excellence in high-quality and affordable rest mats & accessories. Our journey started at our Farmington, Minnesota production facility, where we continue to operate with our experienced employees. All KinderMats are made in the United States, ensuring that all of our materials are sourced domestically. As we celebrate this milestone, we extend our gratitude to our loyal customers for their support.

## OUR MISSION

We are driven to manufacture innovative branded products within a sustainable and agile environment, enriching the lives of our customers and communities.
