

# WHEN EXCELLENCE IS YOUR BENCHMARK

For over 70 years, SurfaceLogix has stood as a beacon of quality in the realm of paver sealers, surface cleaners, and preparation products. Our unwavering commitment to delivering excellence has made us the go-to source for contractors and distributors throughout the United States.

*Introducing **COBBLE GRIP**... a superior clear sealer with transparent slip resistance for sleek surfaces like travertine, delivering lasting protection with ease.* Cobble Grip is a water based semi-gloss finish sealer that helps protect travertine, natural stone and dense concrete pavers. Cobble Grip is ideal for spraying and will not clog your sprayer due to its small particle size. Other sealers which contain aggregates typically need to be rolled on making Cobble Grip an ideal choice.
