

WHEN EXCELLENCE IS YOUR BENCHMARK

For over 70 years, SurfaceLogix has stood as a beacon of quality in the realm of paver sealers, surface cleaners, and preparation products. Our unwavering commitment to delivering excellence has made us the go-to source for contractors and distributors throughout the United States.

Introducing *COBBLE IMPREGNATOR NS... Elevating Natural Beauty with Breathable Surface Protection.* Providing a natural look appearance with no sheen, Cobble Impregnator NS is ideal for providing protection without changing the surface's appearance. The breathable formula allows it to be applied in situations where film-forming sealers would not work, including and on surfaces where moisture does not readily dissipate, such as stone installed over a concrete slab.
