

A photograph of a lush green wheat field under a bright blue sky with scattered white clouds. The wheat stalks are tall and vibrant green, with some heads beginning to form. The sky is a deep blue, and the clouds are soft and white, adding texture to the background.

# CRAWFORD'S FARM

Cloughjordan, Co. Tipperary

Farming better, not necessarily farming bigger.

**A diverse, certified organic farm integrating environmental stewardship with humane animal husbandry to produce healthy soils, wholesome pastures and the highest quality meat and unprocessed dairy products. We are dedicated to an agroecological farming model that helps respect and value nature while still providing consumers with the highest quality and most nutrient dense food. All our animals are raised on pasture in rotations to mimic wild, natural systems and in harmony with seasonal grass growth.**
