

Collapsible Cargo Carrier C9N1-V0-570

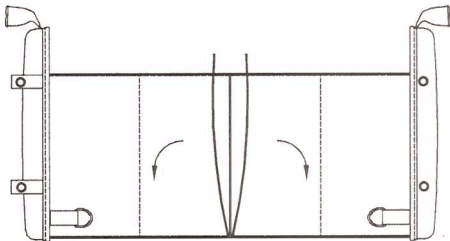

Installation Instruction

To Open Cargo Organizer:

1. Release Fastener Straps (A, B, C, D). Grip Handles and separate until Organizer is fully extended.

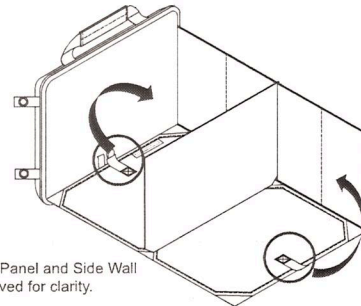

2. Push down Movable Panels to Organizer Floor, and place Organizer in secure location within vehicle.

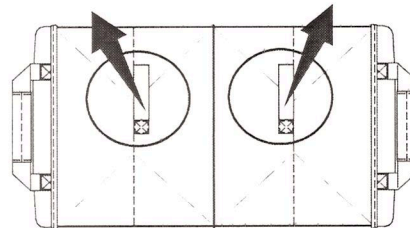

Install Cargo Organizer per instructions. In a sudden stop or collision unsecured cargo may cause personal injury

To Close Cargo Organizer:

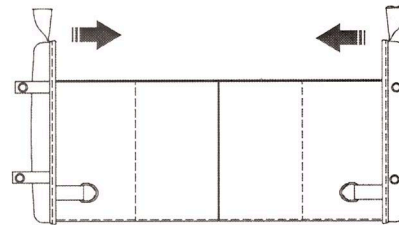

1. Pull up on Pull-Tabs to bring Movable Panels back to Center Panel.

2. Looking down into the Organizer, Grip each Organizer Pull-tab and pull up.

3. Press Organizer Front and Back Panels together.
4. Secure Snaps on Front panel to Snap receivers on Back panel.

5. Ensure that the Cargo Organizer is securely closed and placed in a secure location within the vehicle.
