H780 X W550 X D370mm W 40kg

---

- *SKU Code:* MRW003
- *Material:* Off-white earthenware clay, with lead bottle green glaze
- *Lead time:* 8-10 weeks
- *Features:* Cabinet is fully tiled internally and externally, with the exception of the back. Single 270mm deep shelf to interior.

### *Customisable Options:*

- Bespoke commissions possible dependent on size and finished weight (POA) Please note, each tile has been made specifically to fit the size of this cabinet. Any bespoke variations would require a re-design of each tile component.

### *Additional notes & guidelines:*

- Doors have chains to prevent over-extension of the doors, but care must be taken to not force the doors open wider than chains allow as this risks damaging the tiles on the edges of the doors. It is recommended that doors are opened one at a time.
  - Dust with soft lint free cloth.
  - Heavy & fragile item - move with care. Two people to lift. Hold from the underside of the base and stand at the two sides. Take care when placing on the floor.
  - Cupboard should be kept upright for transport, wrapped heavily in blankets and strapped for road transport, or crated for international delivery.
