

NAILED WALL MOUNTED SHELVING

Nailed Wall Mounted Shelving is designed and crafted exclusively by Bibbings & Hensby for The New Craftsmen. Whilst mudlarking on the foreshore of the River Thames, the duo found several hand forged nails, which prompted their research into historic forms of nailed furniture. Made exclusively with historically faithful nails hand forged by a traditional blacksmith, and without glue or complex joinery, the dresser explores the possibilities for the humble nail in contemporary handmade furniture.

W1500 x D500 x H750mm

W59 x D19.6 x H29.5inches

Weight 30kg (estimate)

Additional notes & guidelines:

- Colour tone and grain of the timber may vary
- N.B. Scratch lines can be seen all over the furniture, a traditional way to line up nails in vernacular furniture and a further example of the makers commitment to celebrate authentic methods in this piece
- This item comes edge protected as standard but can be crated for international delivery (POA)
- This item requires installation. It is at the discretion of the person carrying out the installation to use suitable fixings for mounting in the intended location based on the weight and size of the item. Unit can be mounted using the 6 wall hanging brackets and with fixing (screws and plugs) to suit the wall (not provided)
- Clean with a damp, lint free cloth
- Wipe spills immediately to avoid the chance of obvious marking
- Always use protective mats to avoid staining
- Avoid use of abrasives when cleaning
