E-TRAVELLER EVO

HYBRID ELECTRIC ROLLATOR & WHEELCHAIR • RO2000

The E-Traveller Evo is a multi functional mobility solution that can be used as an electric wheelchair, rollator and an assisted wheelchair. It features a joystick controller for operation while seated, as well as a rear attendant controller when assisted. Other features include 3 gear resistance, uphill assistance, smart brake anti-fall technology, adjustable backrest height, adjustable handle height, swing away leg rests and solid puncture-proof tyres.
