QUINGO VITES 2

5 WHEEL MOBILITY SCOOTER

The Quingo Vites 2 is the perfect mobility solution for more hilly terrain. It features a Digital Dash, superior lighting & more power. The unique 5 wheel stability system on all Quingo's provides the excellent posture and driving position of a 3 wheeler with the stability and safer cornering dynamics of a 4 wheeler. Along with the best possible anatomical driving position all Quingo's also benefit from a staggering 80% more foot area than in a comparable length four-wheel vehicle.

SPECIFICATIONS
