Searchable E-book

Quickly search the full text of your e-book for specific cases or legal concepts, to study more efficiently and be prepared for class.

Practice Questions

Test your knowledge and get instant feedback with questions from leading study aids, such as *Examples & Explanations* and *Glannon Guides*.

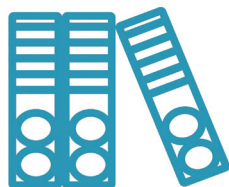

Highlighting & Note-Taking

Save time by highlighting pertinent material, with a choice of six colors, and adding notes directly into the margins of your e-book.

Reading, Highlighting, and Note-taking Functionality

Enjoy the **portability** and **convenience** of an enhanced e-book version of your casebook.

- Access your casebook anywhere you go from your laptop, tablet, or phone.
- Highlight with twelve color options as you read.
- Easily add notes in the margin.

“ I liked that I was able to do my reading on the online book and highlight and take notes . . . to prepare for class. It made my bookbag much lighter. ”

Advanced Search

Search your entire Connected Casebook.

- Search for a specific term, case, or legal concept.
- See results organized by section or page for easy access.

“ Searching the book was hands down the most impressive and useful feature!!! ”

Make the smart choice.

Purchase a new Connected eBook and register today at CasebookConnect.com!

Study Center (Available for select titles)

Access **practice questions** and get **meaningful feedback** using the Study Center.

- Watch short videos that explain key topics.
- Answer practice questions from popular study aids like *Examples & Explanations*, *Emanuel Law Outlines*, *Law in a Flash* and more.
- Understand your strengths and weaknesses with progress trackers.

“ **CasebookConnect is AMAZING!** It compiles practice questions in a way no other study aid can. My favorite law school study resource. ”

Case Briefing and Outlining Tools

Use the Case Briefing and Outline Tools to help **accelerate your learning**.

- Tag key elements of a case by color and CasebookConnect.com will organize new highlights and notes to jump start your case brief.
- Share your case briefs with your classmates or study group.
- Use the outline tool to jump start your outline creation based on your e-book notes.

“ Creating case briefs as I was reading by simply highlighting was very easy and saved me a lot of time. ”
