- SEARCH TECHNIQUES

  Students hone their search and other research skills.
- AND MORE!
  - Students can also get training on key tools like Microsoft Word.

#### **How to Use Write.law**

#### **FLIP YOUR CLASSROOM**

Link students to specific lessons to offer them engaging homework they will love. Link lessons to support your individual feedback. Or link any lesson on your school's LMS (like Canvas). Simply copy and paste the web address of any lesson and students are sent exactly where you want them.

#### **ENGAGE DURING CLASS**

Break up your live classes by playing short, targeted explainer videos for your students. Or use the writing and research activities to support live class time or for group exercises. Engage students and keep your classes fresh without any of the work.

#### STANDALONE SUPPLEMENTS

Assign chapters or entire courses as standalone learning resources. Have students complete the citation chapter, or legal grammar, or the entire writing or research course. Students can also receive a certificate for completing a course that they can turn in to you.

#### **Features**

Focus on actionable techniques without the fluff. Our bite-sized micro lessons dish up only what you need to improve your legal writing and research skills.

Each course is packed with topics requested by law professors like you, including writing mechanics, analysis, and research.

INTERACTIVE PRACTICE

Interactive simulations empower students to learn by doing. Dig into skills and practice the techniques used by successful legal professionals. EASY SUPPORT FOR YOUR CLASSES

Link to any lesson or topic from your syllabus or LMS. Or send students to lessons in feedback Engage students in class with short videos or exercises.

IMMERSIVE SIMULATIONS

Our immersive simulations let students explore real legal documents with useful practice tips—all at their own pace.

**BUNDLE WITH ANY ASPEN TITLE** 

Bundle either the writing course, the resource course, or both, with any Aspen title and your students will have access to everything.

CHEAT SHEETS & GUIDES

Students can access dozens of downloadable guides and cheat sheets packed with amazing writing and research tips. ASSESMENT & CERTIFICATES

Keep tabs on student progress with included assessments that unlock a Certificate of Completion.
