

KING AQUA

## About Us

As a company founded in the constantly evolving 21st century, our drive stems from the precise fusion of mechanical and drinking water technology, enhancing the balance of physical and chemical factors in the human body. We adopt the 21/90 rule as it takes 21 days to form a habit and 90 days to make it a permanent lifestyle change. King Aqua firmly believes that customer well-being and a business' ability to satisfy customer's deepest needs should always be at the heart of any brand's day-to-day operations..

## What is Quantum Resonance Water?

Water is a colorless, odorless, and tasteless liquid that is essential for all forms of life. It is a universal solvent and plays a crucial role in various bodily functions. Using Energy Activation Resonance Effect Technology (MRET) and Six-Stage Ultrafiltration Water Purifier, which activates the water's natural resonance frequency of 7.8Hz, the same as the Earth's natural magnetic field and human cells.
