RUGS

At Leather Studio Dubai, we prioritize sustainability in every aspect of our business. As a leading leather and cow hide supplier, we are dedicated to responsible sourcing and manufacturing practices. Leather and Hides are a “By-product” of the very large meat industry and our commitment extends to sourcing all tanned leather and hides from sustainable and accredited tanneries worldwide, ensuring compliance with stringent standards and regulations.

Our stunning Cow and Zebra hides are a popular choice in the high-end interior decor industry, adding a touch of luxury and sophistication to any space.

By choosing Leather Studio Dubai, our clients can trust in our product quality and ethical origins. We believe in preserving the environment while delivering exceptional premium leather, hide rugs, leather furniture and leather goods that reflect our dedication to a sustainable future for generations to come.
