

UNITEDBUILT WARRANTY

Quality Guaranteed

Tank Warranty:

UnitedBuilt confidently warrants its manufactured tanks against defects in workmanship for a period of 5 years. Other Equipment such as water pumps, spray heads, etc. and all optional equipment not part of the manufacture of the water tank, are covered by UnitedBuilt's general limited warranty for a period of 1 year. UnitedBuilt's Warranty begins at the time the tank ships from our facility or if being shipped as a kit tank from the time the tank is installed or no later than 6 months from the date of shipment, unless agreed to in writing. ***This warranty becomes null and void when the product is disassembled, welded upon, or in any way altered without prior written approval from UnitedBuilt.***

Other Equipment:

UnitedBuilt warrants that all other Equipment will be free from defects in material and workmanship for 1 year from the original date of purchase ("Warranty Period"), unless otherwise specified by UnitedBuilt in separate written product warranty accompanying the Equipment or specified in the applicable Equipment price list (in which case such other product warranty term shall control). If, prior to the expiration of the Warranty Period, Equipment fails to conform to this Limited Warranty and Buyer informs UnitedBuilt in writing of such nonconformance, then UnitedBuilt will either (i) repair or replace the defective Equipment or (ii) in UnitedBuilt's sole and exclusive discretion, refund the amount that Buyer paid for such defective Equipment at time of original purchase. Repair or replacement may be made with new or refurbished

Equipment or component parts (at UnitedBuilt's option) or, if UnitedBuilt no longer sells the applicable Equipment, with a similar Equipment of like function. Buyer shall bear the costs of access, de-installation, reinstallation and transportation of the Equipment to UnitedBuilt and back to Buyer. Any repair or replacement pursuant to this Limited Warranty shall not extend the Warranty Period.

Tank Coatings:

UnitedBuilt warrants its coatings, both external and internal, to be of the proper type and quality for general equipment use and water haulage, and its application to manufacturer quality standards of preparation and application. However, while tank coatings are specifically designed to resist corrosion, due to various environmental and specific job conditions encountered, tank coatings are not warranted for any specific period.

Conditions to Limited Warranty:

This Limited Warranty and remedy are expressly conditioned upon: (i) Buyer's proof of payment of the purchase price in full; and (ii) Buyer giving written notice of the defect, reasonably described, to UnitedBuilt within 10 days of the time when Buyer discovers or ought to have discovered the defect.

What This Limited Warranty Does Not Cover:

(i) consumable Equipment and components (e.g., batteries, filters, belts and kits); (ii) Failure or damage caused by misapplication, lack of proper maintenance, abuse,

improper installation, or abnormal conditions of temperature, moisture, or dirt or exposure to corrosive matter; and (iii) Equipment that is a component part not manufactured by UnitedBuilt. Other Equipment may be covered by warranties by other manufacturers, suppliers, or publishers, which UnitedBuilt may assign or pass through to Buyer, without recourse to UnitedBuilt, to the extent allowable by the other manufacturers, suppliers or publishers.

Excluding expenses:

Travel mileage, travel labor, related travel expenses (such as meals or lodging) and rental equipment will not be covered.

LIMITATION OF WARRANTY:

THE PROVISIONS OF THIS PARAGRAPH ARE SELLER'S SOLE WARRANTY. SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED; AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WHICH EXCEED SELLER'S AFORESTATED OBLIGATION ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. Seller neither assumes nor authorizes any person to assume for it, any other obligation in connection with the sale of the Equipment. This warranty shall not apply to any Equipment or parts of Equipment which (a) have been repaired or altered outside of Seller's factory in any manner; or (b) have been subjected to misuse, negligence or accident; or (c) have been used in a manner contrary to UnitedBuilt's printed instructions.
