The Mailend Essential Business Franking Machine In Detail

Fast Efficient Mailmark Franking

The Mailsend Essential is a brand new Mailmark Compatible franking machine perfect for an average daily volume of up to 30 letters per day. Ideally designed for sending letters, packets and parcels.

The Mailsend Essential is also 1D barcode ready for the new Royal Mail 'Signed For' / 'Special Delivery' updates due in November 2022. This new 1D barcode tracking number (replacing the orange and silver labels) will appear next to the Mailmark franking impression and unlike most other entry level machines it will also will also print your company logo / slogan.
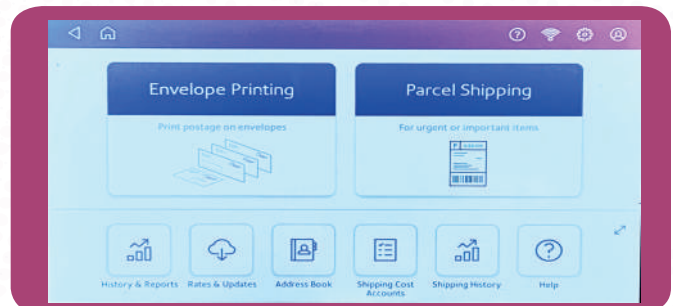

The Benefits of Mailmark™

Mailcoms customers will have access to the following Mailmark features:

- **Automated tariff updates eliminate surcharges**
- **Save 33%** compared to stamps and at least 5p off every standard franking letter*.
- **MailMark™ compliant** machines are constantly connected for faster and more accurate data.

- **Print your own Prepay Reply envelopes**
- Improve your mail presentation with promotional messages
- Enhanced Postage Online Reporting

Strengthen Your Brand
Enhance standard envelopes into eye-catching branded mail pieces with five customised logos / slogans.

Fast Accurate Postage Re-Crediting
Replenish the Mailsend Essential 24-hours a day with simple one-touch refills quick, secure and hassle-free.

Keep An Eye On Postage Costs
INVIEW™, the web-based, easy to use, online reporting feature allows you to:
• Have visibility of your postage expenditure by class and format
• Extract information and present simple graphical analysis
• Monitor spending to identify waste
  e.g. overuse of first class or large letter format

Better Connected
The new Mailsend Essential can now connect to a secure server via LAN, PC or Wifi connection. This enables faster communication and allows services such as postal tariff changes, software updates and slogans to be downloaded quickly and effortlessly to the machine.

Easy To Use
All controls are fully integrated on one clear control panel with user friendly instructions. This will guide the operator through each stage of processing your mail. This will make using the machine very easy and useful to everyone.

* 15% savings versus Royal Mail® 1st class stamps and 33% savings verses Royal Mail® 2nd class stamps. Savings do not include equipment running costs or consumables. No minimum volumes needed (prices correct as at 25th March 2019).

** Mail-Ink Plan is based on a fair use policy up to 3 ink cartridges per year.
