## **Accommodations [Taxes Included]**

Please note that there are limited electrical camping sites, middle rooms and ½ cabins. Therefore:

- 1. Spaces will be assigned in the order that registrations are received. We will maintain waitlists.
- 2. Because air conditioning is provided in the Dining Hall, we ask that campers with electrical sites do not use their air-conditioners. Also, should you wish to light a campfire at your site, you are to supply your own wood.
- 3. In order to book a family size cabin, you must confirm that there are at least 6 occupants for that booking. Names of occupants are to be submitted at a later date.
- 4. If you require a single bed, we are also providing communal half-cabin (Oak and Maple): one cabin for males, females; and a middle cabin for gender-neutral guests.
- 5. All confirmations will be emailed to the email address provided by June 30<sup>th</sup>, 2023.
