

## FOLDING AN R200 INSTRUCTIONS

There are no tools required for folding your R200

### INSTRUCTIONS

1 Start by unscrewing the knob closest to the base of the machine

2 Pull the adjustment knob on the side of the slideway

3 Fold the slideway up until you hear a click

4 Reattach the knob on the underside of the slideway

5 Remove the knob on top of the black stand

6 Fold down the stand and screw the knob back into the frame
