

FINAL FEED™ Mosquito Bait

FINAL FEED™ mosquito bait uses mosquitoes' appetites against them. Our proprietary, non-toxic formula includes natural fruit juices to bait hungry mosquitoes and deliver a lethal dose of microencapsulated garlic. The formula suppresses blood feeding, **kills a majority within 1-2 days** and **collapses populations by over 90% in 2-3 weeks.**

Item
#FF-1
Packed
4 Pouches per case
Size
32 fl oz

Microencapsulated active ingredient (garlic oil, 0.4%) first reduces mosquito blood appetite and then kills the mosquito.

FINAL FEED™ IS THE ONLY MOSQUITO BAIT AVAILABLE ON THE MARKET

- Baits and kills mosquitoes
- Safe around people, pets, and food when used as directed
- Controls *Aedes*, *Anopheles* and *Culex* mosquitoes
