

**Why choose CheetahTint?**

CheetahTint offers three automotive window film products. Performance Series (good), Ceramic IR70 (better), and Ceramic IR90 (best.) CheetahTint combines performance and technology to ensure we exceed expectations at a fair price.

How does CheetahTint work?

CheetahTint is a film applied to vehicle windows to provide style, reduce solar energy transmission, improve vehicle security, and increase the overall level of comfort when operating the vehicle.

How can I purchase CheetahTint?

CheetahTint can be purchased online at CheetahWrap.com or online at Fellers.com. If you prefer to order via phone call, you can call Fellers at 800.654.8405.

What sizes are available?

CheetahTint is sold in 20", 36", 40" and 60" X 100' rolls.

What VLTs are available for CheetahTint?

We offer VLTs from 5-75%.

Does CheetahTint interfere with signal reception?

No, all three lines of CheetahTint will not interfere with signal reception.

What is the warranty for CheetahTint?

All three lines of CheetahTint have lifetime warranties. Each purchase will come with a CheetahTint warranty card that will need to be filled out and kept. Please note: That warranty is valid for professional installations only. This warranty is not valid for to do-it-yourself (DIY) applications. Warranty is non-transferrable and is limited to product defects only. Please see our warranty page for more information.
