

F 100

**"Reliable Quality:
Made in Germany"**

- A lightweight, but **precisely crafted** and **reliable player** with a belt drive, a plexiglass cover including spring hinges, with **permanently connected connecting cables** and a **pre-mounted pick-up** - and all this at an **attractive price**.
- **The F100 is completely pre-assembled and ready to play straight out of the box.**
- In the listening room, the **REKKORD played quite astonishingly.**
- **Smoothness is good**, as are **dynamics and cleanliness.**
- Piano chords **sound strong and stable**, music of any **style sounds balanced, clear and powerful.**
- The F100 is available as F100P with an integrated, **impeccable-sounding phono preamplifier.**
- If you are looking for a fully automatic player, you will find it here in **reliable quality**, with a **juicy, uncomplicated sound** - and made in Germany.
