

BIG RIG Cannon Foam

Product Description

BIG RIG Cannon Foam is a premium concentrated high-foaming liquid detergent formulated with the highest quality penetrants and surfactants to promote rapid emulsification of dirt, oil, grease and road grime.

BIG RIG Cannon Foam is especially suited for trucks, trailers, RVs, buses and other heavy equipment. This detergent is especially formulated for use in high-pressure washing equipment with foaming cannons.

Performance Features:

- Solubilizes; soot, grease, oil, mold, mildew, herbicides/pesticides films and residue on agricultural equipment and soap scum.
- Safe for use on heavy equipment, concrete floors lawn/garden equipment, walls & ceilings.
- Significantly saves cleaning time.
- Safe to use on whitewall tires (and tires in general), stainless steel, and concrete floors.
- **BIG RIG Cannon Foam** is a nonflammable solvent.

Physical Specifications:

Physical State	Liquid
Appearance	Midnight Purple
Ph	Base
Rinse-ability	Excellent
Flammability	Zero

Equipment Requirements:

BIG RIG Cannon Foam is safe for use with all standard cleaning equipment.

Product Make-Up:

BIG RIG Cannon Foam is a concentrate and, in most applications should be diluted prior to use. When used through pressure washing equipment set up a 40:1 to 150:1 soap to water ratio. For tougher degreasing jobs dilute 50:1 down to 5:1 ratio. Rinse with fresh water from top down.

Concentration and Application Methods:

A bio-degradable concentrated foam used to clean at ground level. **BIG RIG Cannon Foam** must be loaded into the soap cannon reservoir, **BIG RIG Cannon Foam** cleans using less product and less splash. Dilutions vary depending on water hardness conditions and soil build up. Adjust spray cannon knob for desired dilutions. Presoak surface with **BIG RIG Cannon Foam** solution and rinse completely to avoid streaking.

Apply **CANNON FOAM** with a pressure washer/cannon sprayer. Be sure to completely wet the surface before rinsing to get optimal cleaning experience. Rinse with fresh water, preferably high pressure.

Safety and Handling:

Read and understand this product's SDS before handling.

Waste Treatment:

Individual users should verify the nature of spent solutions to assure compliance with local, state, and federal regulations.

Ordering Information:

BIG RIG Cannon Foam is available in 5 gal, 30 gal, 55 gallon drums and 275 gallon totes.
