

Designed for jumping from two sides

Artificial components -
Safe, strong and durable

Product Information

EASYFIX Double Sided Hurdles are used for schooling of horses and can be jumped from both sides. The hurdles are designed in 1.2m/4ft interlocking sections and constructed from artificial components. The 3-D moulded birch recreates the typical look and feel of natural birch. They are widely used by all the top trainers in Ireland, UK, Australia, Norway, Sweden and France.
