CODE: LL402WT-HOT
DESCRIPTION: Legacy Line – Hot Electric Wire – White – 402m Roll
SIZE: 7.5mm x 402m
COLOUR: White
GROSS WEIGHT: 28.5kg
LIMITED WARRANTY: 20 Years

Please note:

To have safer rail spacing, allow no more than 22cm-28cm between rails for average sized horses.

Legacy Line Electric is similar to Legacy Line, but incorporates 3 consistent stripes of purified carbon to conduct electricity.

Legacy Line Electric has up to 630kg of break strength per wire and is electrified so your horses will respect the fence lines. It also flexes 15-20cm on impact. Legacy Line Electric can be used in combination with Legacy Rail.

	<p>CODE: I28L DESCRIPTION: Large Claw Insulator – Black MOQ: 30 pcs per bag COLOUR: Black LIMITED WARRANTY: 10 years</p>		<p>CODE: IT16100 DESCRIPTION: Insul Tube – OD – 16mm x 100m roll SIZE: 16mm x 100m COLOUR: Black</p>
