

SPRING 2024 COLLECTION

WELCOME

Welcome to our Spring 2024 catalogue... thank you for picking up a copy!

This past year has been a busy one for us - we've been working hard to put new systems in place that will enable us to operate more efficiently and allow us to focus on what we love doing best - designing gorgeous greeting cards and working with amazing shops like yours! I'm also pleased to announce that my sister Kelly has joined the business, taking on our order processing and customer service - and making us a proud family-run indie business.

This is always such an exciting time for us, as we love to share the new designs that we've been working on for the last few months, so I hope that you enjoy browsing our Spring 2024 ranges and that we'll see some of our new designs on your beautiful card shelves soon!

Best wishes

WHAT'S NEW

THE GREAT OUTDOORS

Our latest collaboration with Bristol-based illustrator Lucy Davey features eight designs that embrace the great outdoors and the wonder of our amazing planet. The collection is a modern take on men's cards and is designed to appeal to those who enjoy an active lifestyle and living life to the full.

GLOBETROTTER

We've added more amazing destinations to our popular Globetrotter collection (illustrated by Marisa Schoen), including some of our most iconic cities as well as some more exotic spots from around the globe. Each design is beautifully illustrated and finished with a gold foiled postmark and birthday message.

HOLLY MAGUIRE

Holly's cards prove to be as popular as ever, so we've added some more birthday designs, along with a few other occasion cards. We particularly love the 'Child of the 80s and 90s designs' and hope that our larger birthday offering in this collection offers you plenty of choice for your customers!

ELEONORA AROSIO

We've added three new designs to our Eleonora Arosio collection - all of them channeling our inner goddess (and enjoyment of the the good things in life!). You'll find the perfect cards for yoga-lovers, wine-lovers and those who just want to be a queen for the day on their birthday!

ABOUT STORMY KNIGHT

We. Love. Cards. We believe they have the power to make people feel good - whether that's by sending some birthday wishes, welcoming a new baby to the world or by giving someone a hug when they need it the most. So we've made it our mission to make the world a brighter place with each and every card we design.

We're a founder-led indie business, who work with a curated collection of talented contemporary illustrators from around the world, creating innovative designs that will look beautiful on your shelves, as well as at home on the mantlepiece.

Something sweet for those nearest and dearest...

LOVE LINES BY ELEONORA AROSIO

Those who are familiar with our everyday Eleonora collection will know how well her best-selling designs such as 'Bottoms Up' go down with their customers - and our 'Love Lines' collaboration won't disappoint - it's filled with boobs, bottoms, best friends, and some fun nods to nineties and noughties pop culture! Each card is hot foiled with a different bright colour and comes with a GF Smith Callisto Pearl envelope. They're the perfect Valentine's cards - without the smush!
