C1 - BELT BLACK 2700K 2M UPandDOWN CASAMBI CONTROL - Specification Sheet by Ronan and Erwan Bouroullec, 2020

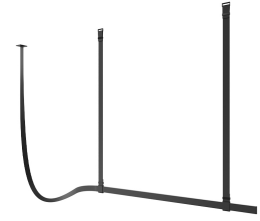

Mounting	Ceiling Surface
Lamp (Bulb) Description	58W 1961lm 2700K CRI 95
Environment	Indoor - Dry Location
Dimming	Casambi
Finish	Black Leather
Technical and Product Description	Belt by the Bouroullec's is pure unification. A sinuous line whose design strikes balance between the softness of natural leather and the rigidity of a linear aluminum housing and electrical cables. A direct/indirect pendant with independent user dimming control of the upright and the downlight. Available in black, natural leather, and green finishes.
