

FLOS

Captain Flint, Brass - Specification Sheet by Michael Anastassiades, 2015

Mounting	Free Standing
Lamp (Bulb) Description	1 COB LED 2700K 557lm CRI93 20W Dimmer
Environment	Indoor - Dry Location
Finish	Brass
Technical and Product Description	Sleek and graceful, this versatile floor lamp features smart details from head to toe. andnbsp;At the top, its spinning cone diffuser provides direct light that can be repositioned. On the bottom, it is weighted by a stunning white Carrara or black Marquina marble base. Its stem and cone are available in painted steel or brushed brass. The diffuser is injection-molded opal photoengraved PC (polycarbonate). Its power cord measures 260 centimeters and features a foot dimmer switch with ON-OFF functions and 10-100% light adjustment. The plug-in power supply includes interchangeable plugs.

Inspiration behind the design:

There's a duality to this finely balanced piece from artist Michael Anastassiades. "I wanted to design a light that was dual purpose" ; he says. "It is an up lighter, illuminating the space with ambient lighting, and its rotation also offers a dim companion for reading. There's a notion of balance, with a cone resting delicately on its point on a rotating rod."

Electrical

Voltage	100-240V
Switching	Foot Dimmer switch that provide ON-OFF functions and 10-100% light adjustment with memory
IP Rating	IP20

Physical

Cord Length (inches)	102.36 " - Black
