### **Chalice 24 Metallic Grey**

by Edward van Vliet

The fine crystal beauty of the Chalice Lamp is enhanced by a soft metallic-grey body with black rings at the base of each translucent silver glass chalice. The result is a new bouquet of light, available in two sizes.

Designer Year of design Edward van Vliet 2018

### Chalice Lamp Technical (ul)

Input Voltage: 120 VAC

**Power Consumption:** Max 16W

**Colour Temperature:** 2700K

**CRI:** 85

Lumen: Approx 450lm

**Cable Colour:** Transparent

**Dimmable:** Mains

#### **Recommended dimmer specs**

For fluent dimming behaviour we advise a dimmer that is compatible with the following specs:

Transformer type: Electronic Low Voltage (ELV) Load type: Capacitive load (C-Type) Dimmer type: Trailing edge / Reverse phase

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.
