The Golden Chair

NIKA ZUPANC

Under a mysterious magic spell, a retro-looking school chair is dipped in enchanted golden nectar, which washes away its austerity and crowns it with a shiny aureole. Isn't this a typical school-time wish, while looking out of the window and hoping for a fairytale to begin? The Golden Chair got a black framed sister in 2018, and both can be dressed in a selection of fabrics to match different interiors.

Detailing

The upholstered seat of the Golden Chair is padded on the backrest and the frame is narrow with bold finishes on the bottom of the legs.
