Color N53
Stitch Diagonal Satin

Section	Top of Manger/Hay
Thread	Essentials
Color	600
Stitch	French Knots

Section	Top of Manger/Hay
Thread	Straw Silk
Color	240 Raffia
Stitch	Satin Stitches & Turkey Tufting

Have fun with this section. The goal is to have the hay look natural, so be sure to channel your inner "wild side" and let loose. There is not a wrong or right way to do this. The sample is stitched with random turkey tufting randomly placed which allows for 3-D wisps of hay.
