OUTDOOR COOKING FOR BREAKFAST, LUNCH AND DINNER

COMPANY BACKGROUND

Before Blackstone became the brand that thousands trust, our founders had a vision. A love for food, family, friends, and the great outdoors gave rise to an idea.

With a dedication to excellence and culinary greatness, that vision became a reality in 2005 with our cornerstone product, the 36" Blackstone Griddle. Since 2005 we have grown considerably both in our product line and our expertise in this amazing world of griddle cooking.

We have partnered with pro chefs, backyard cooking enthusiasts, and the everyday home-cooks to craft a product that meets our highest standards.

Our products are designed and engineered in the USA with the latest technology and innovation, but we are more than just another outdoor cooking appliance company.

Our main focus is on our consumers and designing quality products that yield the best results.

While we have expanded dramatically since our founding, the original vision is still at the forefront of all that we do. With a Blackstone, you can create endless food memories with your friends and family. From burgers and breakfast to steaks and teppanyaki, the possibilities are endless.

PRODUCT RANGE 2023 - 2024

GRIDDLES

GRIDDLES 17"

Blackstone 17" Stainless Tabletop Griddle

The outdoor cooking experience just got better with the Blackstone 17" Tabletop Griddle. Take this portable griddle with you to fuel any adventure. Blackstone 3-in 1 Griddle Cleaning Tool

Make sure that you have a clean cooking surface before your cookout with the Blackstone 3-in-1 Griddle Cleaning Tool. It has three different methods for removing grease, stuck-on food and other kinds of build-up. There's an abrasive brick on one side for heavy-duty jobs as well as a griddle scouring pad on the other for lighter scrubbing. Remove thin layers of build-up with the scraper blade, which is also removable for sharpening or replacing as needed.

SKU: 5232EU | EAN CODE: 5745000788095
HTS CODE: 7321.11.1060

DESCRIPTION

- Includes re-finishing stone, light-duty scrub pad and griddle scraper.

Blackstone Heavy Duty Scraper

It's the best of both worlds with Blackstone's combo heavy duty scraper and scrub pad. Tackle stubborn food with the steel scraper and then treat your griddle top to a good clean with the durable scrub pad. Griddle maintenance is made easy with this one tool.

SKU: 5628EU | EAN CODE: 1220000490284
HTS CODE: 8215.99.5000

DESCRIPTION

- Durable stainless steel construction
- Heavy duty and heat resistant plastic handle
- Easily scrapes and cleans food from griddle
- Thoroughly cleans while protecting griddles surface

Blackstone Grease Gate and Tool Holder Combo

It doesn't matter how experienced you are with your griddle, we've all lost food down the rear grease trap. Not anymore! The rear grease gate keeps any food from falling through while allowing the grease to get through. This combo kit also includes a few magnetic tool holders to help keep your favorite griddling gear close while you cook.

SKU: 5188EU | EAN CODE: 1220000490161
HTS CODE: 7323.93.0045

DESCRIPTION

- Keeps food from accidentally falling through the rear grease hole
- Still allows grease to exit
- Use the spatula, tongs or scraper to safely and easily move the rear grease guard where it is needed using the guard tab
