

Nominations for Officers and Committee Members of Kawau Boating Club Inc.

All current officers and committee members are willing to stand for nomination and continue to contribute their time and skills for the club as follows

Nomination for Club Captain: John Whisker

Nominated by: Mike Mahoney and Seconded By: Annette Ridder

Information:

Having been a very keen yachty for the last 40 odd years and moving to Scotts Landing approximately 3 years ago it was a natural extension to become involved in the Kawau Boating Club and as such I have been a part of the KBC committee for the last 2 ½ years, the last 12 months as club captain. Going forward it is my view that the club needs to start behaving more like a boating club and not just a facility manager. KBC is a very unique facility in the gulf with a character not easily replicated, consequently providing a great platform upon which to grow. I would like to see the instigation of a number of sailing events spread through the year including racing that starts and finishes off the KBC wharf, weekends away and a headline event that would be too good to miss on anybody's boating calendar.

Nomination for Chairman: Mike Mahoney

Nominated by: Annette Ridder and Seconded By: John Whisker

Information:

I've been a Matakana resident for 8 years and KBC member for a similar time. I have been on the KBC Committee for 4 years and last 2 as Chairman. I have passion for classic boats and love the current feel and atmosphere of the KBC. I am keen to push club to greater involvement with the boating community

Nomination for Treasurer: Annette Ridder

Nominated by: Mike Mahoney and Seconded By: John Whisker

Information:

Current Treasurer and Secretary since March 2018 following resignation of Lin Pardey. I am happy to continue in the role of Treasurer for the Club. I live at Snells Beach and have been a regular at Kawau Island and the club since moving to the area in 2005. We have a small power catamaran and enjoy our time out at Kawau Island. The club is an icon in the Hauraki Gulf that I remember visiting on Christmas cruises as a child. I enjoy contributing my time and skills for the club. I want to make sure the club continues to thrive and is available for use by all boaties and the wider community of Rodney.

Nomination for Secretary: Tom Coote

Nominated by: Annette Ridder and Seconded By: Mike Mahoney

Information:

I am a Director of a logistics business and have a lifelong passion of the sea. I have been coming to Kawau Island on a yearly basis since the mid 1970s and have family and many friends who have houses on the Island.

I believe in a strong member based club that can offer a range of services to both the local community and the wider boating fraternity.

I think the time is right for me to offer my time and experience back to a club that has been part of my life for so long.

Nomination for Committee Members:

Bryn Sutherland

Nominated by: Mike Mahoney and Seconded By: John Whisker

Information:

Through a love of boating in Kawau Bay, to now being on the committee, my connection with the Kawau Boating Club has been life-long. I'm the third generation of my family to come from the Warkworth area and I live in Matakana with my wife Shona and two daughters. Building is my game and I specialise in residential and commercial construction. My interest in being involved with the yacht club is a desire to create an environmentally and economically sustainable service as well as a social hub for the island and boating community.

Scott Wilson

Nominated by: Mike Mahoney and Seconded By: John Whisker

Information: Current committee member.
