A B O U T

KrX's Glow Peel is a gentle (2.9pH) 40% glycolic acid skin renewal peel that lightens hyperpigmentation, and leaves the skin glowing.

Glycolic Acid is small in molecular size, which improves the efficacy of the added antioxidants found in this unique formula. Retinol, Green Tea and Chamomile both prevent and repair free radical damage.

✓ **No downtime**

✓ **Safe for all Fitzpatrick's**

✓ **Can be combined with dermaplaning***

✓ **Suitable for first-time clients if skin barrier is healthy**

* Double exfoliation is only recommended on clients with a strong barrier intact

If you're new to chemical peels we highly recommend taking our [Confidence with Chemical Peels Course](#)

BENEFITS

- Total skin rejuvenation with no downtime
- Improves hyperpigmentation
