

NORTHERN KENTUCKY CEDAR, LLC

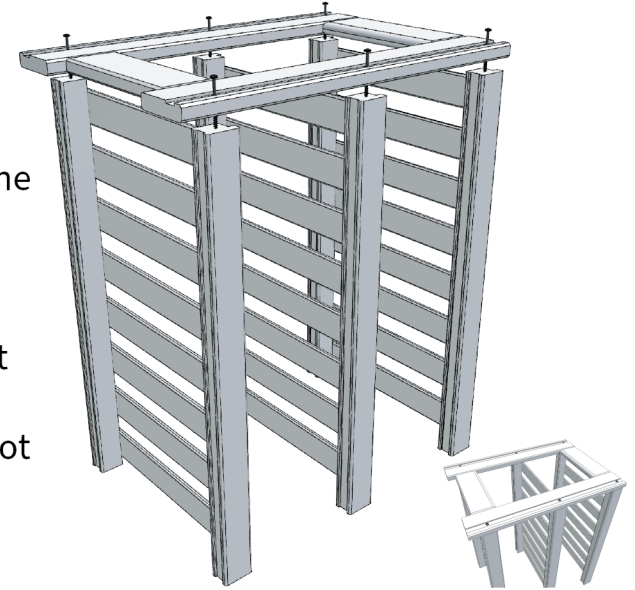

Northern Kentucky Cedar, LLC thanks you for your purchase!  
Deluxe Shoe Rack Assembly Instructions - MPN: CDSR3T24 & CDSR3T30

Your kit will include:  
(x2) Panels  
(x3) Shelves  
(x12) 2" Screws

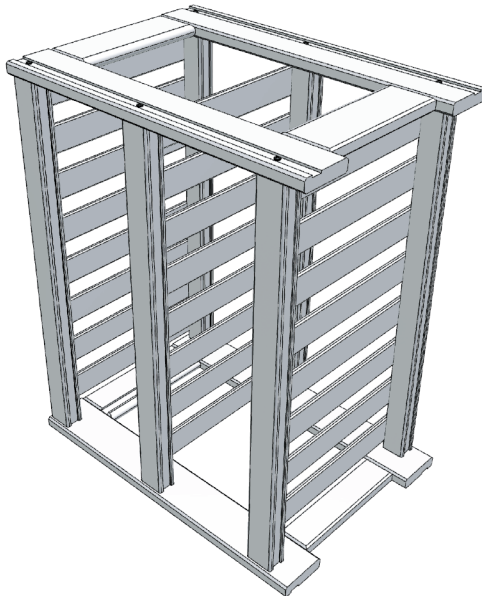

Step 1:  
Stand shelves up  
on a flat surface  
equally apart.

Step 2:  
Place a panel on top of the  
shelves. The bottom of the  
panel has a large gap and the  
channels are meant to be  
facing up.

Line up the holes and insert  
screws, hand-tight at first.  
Finish setting screws, but not  
all the way.

Step 3:  
Rotate the rack  
and repeat step  
2 for the other  
panel.

Step 4:  
Rest the rack on  
a flat surface.  
Level each shelf  
while tightening  
the screws.

Once level and  
tight, the unit is  
complete.
